BUREAU OF
AIR REGULATION

Dear Mr. Rhodes:

Okeelanta Power has received your letter to Mr. Dennis Space, dated April 16, 1997, that approves the use of Modified Method 8 for the determination of sulfuric acid mist. However, the first paragraph of the letter refers to Osceola Power instead of Okeelanta Power. I assume that Okeelanta Power should have been referenced in the permit amendment, if so please clarify for my records.

Sincerely,

James M. Meriwether
Environmental Manager
