Subject: West County Units #1 and #2 Fuel Oil Air Permit Compliance Test Schedule
(Update to September 10, 2010 letter)

Dear Ms. Walker:

On behalf of Florida Power & Light Company (FPL) and its Designated Representative, Sheila M. Wilkinson, the West County Power Partners, LLC (WCPP), EPC Contractor for construction of the new combined cycle generating Unit 1 and 2 at the FPL West County Energy Center, is submitting the Fuel Oil Air Permit Compliance schedule in accordance with 40 CFR Part 60.8 and the State of Florida Conditions of Certification and Air Permit regulations. The updated test schedule is detailed in Table 1.

Table I. Dates for initial start up activities at West County Energy Center Units 1 & 2.

Units	Performance Emission Test	Opacity Observations
CT 1A	TBD	TBD
CT 1B	TBD	TBD
CT 1C	May 7, 2010	May 7, 2010
CT 2A	TBD	TBD
CT 2B	TBD	TBD
CT 2C	TBD	TBD
	60.8 (d) & PSD Permit Condition #22	60.7(a)(6), 60.11(b)& 60.7(a)(7)

The performance emission testing scheduled for CT 1A and CT 1B will not occur on October 1 and September 19, respectively, previously stated in the September 10, 2010, letter. Fuel oil commissioning and associated air permit compliance testing have been temporarily placed on hold, due to an evaluation period of low load fuel oil operation. The schedule will be reevaluated in October. We will provide an updated schedule as soon as it is available.

If you have any questions about this notification or the attachment, please contact Terry Apple at (913) 458-7220 or John Rachal at (843) 241-0619.

Very truly yours,

WEST COUNTY POWER PARTNERS, LLC

 Mike Perkins
Project Executive
