OGC CASE NO.:

REQUEST FOR ENLARGEMENT OF TIME

By and through undersigned counsel, Florida Power Corporation (FPC) hereby requests, pursuant to Florida Administrative Code Rule 62-110.106(4), an enlargement of time, to and including April 1, 1999, in which to file a Petition for Administrative Proceedings in the above-styled matter. As good cause for granting this request, FPC states the following:

1. On or about August 21, 1997, FPC received from the Department of Environmental Protection (Department) an "Intent to Issue Title V Air Operation Permit" (Draft Permit No. 1010017-003-AV) for the FPC Anclote Power Plant located in Pasco County, Florida. On September 4, 1997, FPC filed a Petition for Administrative Proceeding on this permit.

2. On or about November 30, 1998, FPC received from the Department an "Intent to Issue Title V Air Operation Permit" (REVISED Draft Permit No. 1010017-003-AV) for the FPC Anclote Power Plant. FPC previously requested and the Department granted an enlargement of time to February 1, 1999.

3. The Department's cover letter to the Revised permit states that the initial Draft Title V permit is withdrawn. In reliance on this representation, FPC hereby files this second Request for Extension of Time on the Revised Draft permit. Nonetheless, insofar as the initial Draft Title V permit

may be determined to still be in effect, FPC respectfully reserves its right to pursue its Petition on the initial Draft Title V permit.

4. Based on FPC's review, the Revised Draft permit and associated documents contain several provisions that warrant clarification or correction.

5. This request is filed simply as a protective measure to avoid waiver of FPC's right to challenge certain conditions contained in the Revised Draft Title V permit. Grant of this request will not prejudice either party, but will further their mutual interest and hopefully avoid the need to file a petition and proceed to a formal administrative hearing.

WHEREFORE, FPC respectfully requests that the time for filing of a Petition for Administrative Proceedings in regard to the Department's Intent to Issue Title V Air Operation Permit for Revised Draft Permit No. 1010017-003-AV be formally extended to and including April 1, 1999.

Respectfully submitted this 28 day of January, 1999.
