RE: Pasco Cogeneration, Ltd., FLDEP ID No. 1010071;
2012 Air Emissions Compliance Test and RATA Report Submittal

Dear Mr. Bahtic:

Annual Permit CEMS Relative Accuracy Testing Audit (RATA) were performed on Emission Units No. 001 and 002 and Emissions Testing on Unit 002 (Plant ID No. 1010071, ORIS Code no. 54424) on June 27th 2012. Emissions testing on Unit 001 will be arranged for and performed once the CT unit is returned to Pasco Cogen following the maintenance work it is currently undergoing.

In following up with the electronic copy of the report that was submitted to your office on Friday August 10th, 2012, two CD copies of the Annual Emissions Compliance Testing Report and RATA are enclosed. A copy of this letter has also been submitted to the Bureau of Air Monitoring in Tallahassee and to the Region IV of the EPA. We will be happy to provide a copy of the report if the Bureau of Air Monitoring or EPA requires it.

Based on information and belief formed after reasonable inquiry, the statements and information in the report are true, accurate and complete.

Should you have any questions or need additional information, please feel free to contact me at (917) 472-4593.

For Pasco Cogen
Sincerely,

Thomas A. Grace
Director Environmental Health & Safety
