Mr. D. F. Acenbrack, Director
Solid Waste Management
315 Haven Street
Clearwater, Florida 33516

Dear Mr. Acenbrack:

In my letter of November 8, 1978, to Mr. Chris Bentley, I identified areas where Pinellas County's application for certification of the Resource Recovery Project was insufficient. It would be desirable for the County's experts and consultants to meet with the department to discuss the insufficiencies and when answers might be provided.

It is suggested that we meet at 10:00 a.m. on December 11, 1978. Please advise if this is satisfactory.

Sincerely,

Hamilton S. Owen, Jr.
