In the Matter of an
Application for Permit by:

OGC No. 97-1107

Lakeland Electric & Water Utilities

Lakeland, Florida 33801-5079

DRAFT Permit No.: 1050004-003-AV
C.D. McIntosh, Jr. Power Plant
Polk County

REQUEST FOR EXTENSION OF TIME

By and through undersigned counsel, Lakeland Electric & Water Utilities (Lakeland) hereby requests, pursuant to Florida Administrative Code Rules 28-106.111(3) and 62-103.050(1), an extension of time, to and including September 23, 1997, in which to file a Petition for Administrative Proceedings or a Request for Mediation in the above-styled matter.

As good cause for granting this request, Lakeland states the following:

1. On or about June 6, 1997, Lakeland received from the Department of Environmental Protection (Department) an "Intent to Issue Title V Air Operation Permit" (Permit No. 1050004-003-AV) for the C.D. McIntosh, Jr. Power Plant located in Polk County, Florida. Along with the Intent to Issue, Lakeland received a draft Title V permit and "Public Notice of Intent to Issue Title V Air Operation Permit."

2. By order dated July 11, 1997, the Department granted an extension of time until July 21, 1997, within which to file a petition for an administrative hearing. Lakeland requested additional extensions until September 2, 1997. While an order officially granting these requests has not yet been issued, representatives from the Department orally agreed to the extensions until September 2, 1997.

3. Based on Lakeland's review, the draft permit and associated documents contain several provisions that warrant clarification or correction.

4. Lakeland has corresponded and met with Department representatives in an effort to resolve the issues identified and only a few issues remain.

5. Lakeland believes that the remaining issues can be resolved without the need for a formal hearing or mediation.

6. This request is filed simply as a protective measure to avoid waiver of Lakeland's right to challenge certain conditions contained in the draft Title V permit. Grant of this request will not prejudice either party, but will further their mutual interest and likely avoid the need to file a petition and proceed to a formal administrative hearing or formal mediation.

7. Scott Sheplak with the Bureau of Air Regulation has agreed to a 21-day extension on behalf of the Department. Counsel for Lakeland has attempted without success to contact W. Douglas Beason with the Office of General Counsel regarding this request.

WHEREFORE, Lakeland respectfully requests that the time for filing of a Petition for Administrative Proceedings or a Request for Mediation in regard to the Department's Intent to Issue Title V Air Operation Permit for Permit No. 1050004-003-AV be formally extended to and including September 23, 1997.

Respectfully submitted this 2nd day of September, 1997.
