Facility Location: The City of Lakeland, Department of Electric and Utility Management, representative and mailing address is: Mr. Timothy Bachand, Manager of Engineering, 301 East Lemon Street, Lakeland, Florida 33801

Project: The purpose of this project is to revise Title V air operation permit No. 1050004-020-AV to incorporate the revisions made in Air Construction Permit No. S1050004-08-AC. The project also includes a new generation set of Low NOx burners (LNBs) and an overhead air (O/A) system for the boiler. The boiler is currently operating on a 300 MW capacity and will be replaced by a new generation set of Low NOx burners (LNBs) and an overhead air (O/A) system. The project is also in compliance with the federal coal and trade project to provide full flexibility in electric generation under the Clean Air Act (CAA).

Permitting Authority: Applications for Title V air operation permits are subject to review in accordance with the provisions of Chapter 403 Florida Statutes (FS) and Chapter 62-112, 62-213 and 62-296 of the Florida Administrative Code (FAC). The Permitting Authority is responsible for reviewing the complete permit application, including the information submitted by the applicant, exclusive of the permit records under Section 62-112, 62-213 and 62-296, and for determining whether the project complies with the following: a) the Title V air operation permit requirements, and b) the air quality standards applicable to the project. The Permitting Authority's telephone number is 850/488-0114.

Project File: A complete project file is created for public inspection during the normal business hours of 8:00 a.m. to 5:00 p.m. Monday through Friday (except holidays) at the address indicated above for the Permitting Authority. The complete project file includes the Draft Proposed Permit, the Permitting Authority's comments on the information submitted by the applicant, exclusive of the permit records under Section 62-112, 62-213 and 62-296, and a final permit decision. The project file is available at the following web site: <http://www.dep.state.fl.gov/air/permits/airperm.htm> and entering the permit number shown above. Interested persons may contact the Permitting Authority's project review engineer at the address indicated above, or by telephone at the address indicated above.

Notice of Intent to Issue Air Permit: The Permitting Authority gives notice of its intent to issue an air permit for the project described above. The applicant and all persons who are directly affected by the project and whose comments will not be taken into consideration in the permit decision shall file their comments with the Permitting Authority by the deadline date indicated above. The deadline date is 20 days after the date of this notice, or 210 days after the date of the last public hearing, whichever is later. For more information, see Section 62-112, 62-213, 62-296, and 62-298, F.A.C. The Permitting Authority will issue a permit decision in accordance with the administrative hearing procedures set forth in the Florida Administrative Code (F.A.C.) and Florida Statutes (FS) and the applicable provisions of the Florida Administrative Code (F.A.C.) and Florida Statutes (FS). For more information, see Section 62-112, 62-213, 62-296, and 62-298, F.A.C.

Comments: Written comments concerning the Draft Proposed Permit and the Permitting Authority's comments on the information submitted by the applicant must be received by the Permitting Authority by the deadline date indicated above. Comments must be received by the Permitting Authority by the deadline date indicated above. Comments must be received by the Permitting Authority by the deadline date indicated above. Comments must be received by the Permitting Authority by the deadline date indicated above. Comments must be received by the Permitting Authority by the deadline date indicated above.

Petition: A person whose substantial interests are affected by the proposed permit or the proposed decision may petition for an administrative hearing in accordance with Sections 20.001 and 20.002, F.A.C. The petition must contain the information set forth below and must be filed with (received by) the Department's Agency Clerk in the Office of General Counsel of the Department of Environmental Protection at 3900 Commonwealth Boulevard, Mail Station 436, Tallahassee, Florida 32399-3000. Petitions filed by any person other than those entitled to written notice under Section 120.60(3), F.S., must be filed within 14 days of publication of the Public Notice of Intent to Issue Air Permit, whichever occurs first. Under Section 120.60(3), F.S., however, any person who asked the Permitting Authority for notice of agency action may file a petition within 14 days of receipt of that notice, regardless of the date of publication. A petitioner shall not file a copy of the petition to the applicant at the address indicated above, or the time of filing. The failure of any person to file a petition within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination and participate as a party to it. Any subsequent intervention in a proceeding initiated by another party will be only at the approval of the presiding officer upon the filing of a motion in compliance with Rule 28.106-205, F.A.C.

A petitioner that disputes the material facts upon which the Permitting Authority's action is based must contain the following information: (a) The name and address of each agency affected and each agency's file or identification number, known; (b) The telephone number of the petitioner's representative, if any, which shall be the address for service purposes; (c) A statement of how the petitioner's substantial interests will be affected by the agency's proposed action and an explanation of how the petitioner's substantial interests will be affected by the agency's proposed action; (d) A statement of the petitioner's requested reversal or modification of the agency's proposed action; (e) A statement of the petitioner's requested reversal or modification of the agency's proposed action; (f) A statement of the petitioner's requested reversal or modification of the agency's proposed action; (g) A statement of the petitioner's requested reversal or modification of the agency's proposed action; (h) A statement of the petitioner's requested reversal or modification of the agency's proposed action; (i) A statement of the petitioner's requested reversal or modification of the agency's proposed action; (j) A statement of the petitioner's requested reversal or modification of the agency's proposed action; (k) A statement of the petitioner's requested reversal or modification of the agency's proposed action; (l) A statement of the petitioner's requested reversal or modification of the agency's proposed action; (m) A statement of the petitioner's requested reversal or modification of the agency's proposed action; (n) A statement of the petitioner's requested reversal or modification of the agency's proposed action; (o) A statement of the petitioner's requested reversal or modification of the agency's proposed action; (p) A statement of the petitioner's requested reversal or modification of the agency's proposed action; (q) A statement of the petitioner's requested reversal or modification of the agency's proposed action; (r) A statement of the petitioner's requested reversal or modification of the agency's proposed action; (s) A statement of the petitioner's requested reversal or modification of the agency's proposed action; (t) A statement of the petitioner's requested reversal or modification of the agency's proposed action; (u) A statement of the petitioner's requested reversal or modification of the agency's proposed action; (v) A statement of the petitioner's requested reversal or modification of the agency's proposed action; (w) A statement of the petitioner's requested reversal or modification of the agency's proposed action; (x) A statement of the petitioner's requested reversal or modification of the agency's proposed action; (y) A statement of the petitioner's requested reversal or modification of the agency's proposed action; (z) A statement of the petitioner's requested reversal or modification of the agency's proposed action.
