**RE: C.D. McIntosh, Jr. Power Plant, Unit No. 3
Request to Revise Permit No. PSD-FL-008
Use of Harvested Biomass as Fuel**

Dear Mr. Fancy:

On July 8, 1999, in a letter accompanied with a permit application to the Department Lakeland Electric requested modification to the above referenced PSD permit to accommodate the use of harvested biomass as fuel. Since we are not actively pursuing utilization of biomass presently, therefore, we are writing to request the withdrawal of our PSD permit modification application. However, we reserve the right to submit a PSD permit modification application for this activity if Lakeland Electric decide to pursue the utilization of this fuel in the future.

If you should have a question, please do not hesitate to contact me.

Sincerely

Farzie Shelton
