RE: 112(j) Notification Information Submittal
Florida Tile Industries, Inc.
Facility ID # 1050009
Permit # 1050009-003-AV

Dear Ms. Phillips:

Florida Tile Industries, Inc. (Florida Tile) submitted a "Part 1 Application" for 112(j) to the Florida Department of Environmental Protection (FDEP) on May 15, 2002. [Receipt of that notification information submittal was acknowledged in your letter dated May 20, 2002.] This letter is submitted to correct the source category from Brick and Structural Clay Products Manufacturing (Subpart JJJJ) to Clay Ceramics Manufacturing (Subpart KKKKK). Florida Tile believes Subpart KKKKK is the more relevant source category for the Lakeland facility.

The following information is corrected to reflect the more relevant source category:

• **The name and address of the major source:**

Florida Tile Industries, Inc.
Lakeland Ceramic Tile Manufacturing Facility
One Sikes Boulevard
Lakeland, Florida 33815-1575

• **A brief description of the major source and an identification of the relevant source category:**

The source is a ceramic tile manufacturing facility. The relevant source category is Clay Ceramics Manufacturing (Subpart KKKKK).

- **An identification of the types of emission points belonging to the relevant source category:**

Kilns

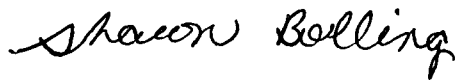

- **An identification of any affected sources for which a section 112(g) MACT determination has been made:**

None at this facility

Please contact me at (863) 284-4084 if you have any questions or need any additional information.

Sincerely,

FLORIDA TILE INDUSTRIES, INC.

Sharon Bolling
Regulatory Compliance Administrator

Certification by Responsible Official:

I hereby certify that, based on information and belief formed after reasonable inquiry, the statements and information in this document are true, accurate and complete.

RE: Clean Air Act Section 112(j) **Part 1 Application**
Florida Tile Industries, Inc.
Facility ID # 1050009
Permit # 1050009-003-AV

Dear Ms. Phillips:

Enclosed is the Part 1 application for 112(j) for Florida Tile Industries, Inc. (Florida Tile) located in Lakeland, Florida. In accordance with the Department of Environmental Protection's recommendation from the Air Resource Management Forms website, Florida Tile is submitting this letter in order to supply the following information as required by 40 CFR 63.53:

• **The name and address of the major source:**

Florida Tile Industries, Inc.
One Sikes Boulevard
Lakeland, Florida 33815-1575

• **A brief description of the major source and an identification of the relevant source category:**

The source is a ceramic tile manufacturing facility. The relevant source category is Brick and Structural Clay Products Manufacturing (Subpart JJJJ).

• **An identification of the types of emission points belonging to the relevant source category:**

Kilns

• **An identification of any affected sources for which a section 112(g) MACT determination has been made:**

None at this facility

Please contact me at (863) 284-4084 if you have any questions or need any additional information.

Sincerely,

Florida Tile Industries, Inc.

Re: 112(j) Notification Information Submittal

Dear Ms. Bolling:

Thank you for submitting the referenced information in your letter dated May 15, 2002. Your information submittal appears to meet our current 112(j) requirements.

Please be aware that, although your letter refers to this information submittal as a "Part 1 Application," the Department does not recognize your submittal as a state permit application and has no plans to process it as such.

No further 112(j) information is needed from you at this time.

If you have any questions, please call me at 850/921-9534.

Sincerely,

Cindy L. Phillips, P.E.
