Dear Ms. Koletzke:

Cutrale Citrus Juices USA, Inc. (Cutrale) would like to withdraw the applications for Air Construction Permits requesting to remove the use of petroleum distillates as an alternate fuel. Cutrale will include this information in our Title V renewal applications for the 2012 permit cycle. Cutrale understands that the removal of this alternate fuel oil did not require an air construction permit.

If you have any questions regarding this matter, please feel free to contact me at (863) 965-5209.

Sincerely,
Cutrale Citrus Juices USA, Inc.
