RE: Mosaic Fertilizer, L.L.C. – Minerals Facilities
Semi-Annual Compliance Statement 2007 (January 1 through June 30)
Title V Permit No. 1050034

To Whom It May Concern:

Please find the enclosed Semi-Annual Compliance Statement for the Mosaic Minerals facilities for the period January 1, 2007 through June 30, 2007 which satisfies the semi-annual reporting requirement. The facility reference above only operated two of the emission units, EU008 and EU029, defined in the permit during the time period aforementioned.

In addition to the enclosed Semi-Annual Compliance Statement, Mosaic has also included a completed DEP Form No. 62-213.900(8). This completed form was requested by the Division of Air Resource Management, Ms. Corrie Branum, because the file appeared incomplete. Further, Mosaic has also enclosed the original Delegation of Authority, dated December 9, 2004, for your records.

If you have any questions concerning this submittal, please contact me directly at 863-428-3964.

Sincerely,

Tara N. Crews
