BUREAU OF AIR REGULATION

Dear Ms. Phillips:

Re: National Emissions Standards for Hazardous Air Pollutants  
112(j) MACT "Hammer"  
Cargill Fertilizer - Bartow Facility, AIRs No. 1050046

Cargill Fertilizer is currently evaluating with testing its total Hazardous Air Pollutant (HAP) emissions to determine the applicability of 40 CFR Part 63. In the event that this facility is subject to 40 CFR Part 63, this letter serves as the **Part 1 Application** required by Subpart B. The following is submitted to meet the deadline required by rule and may or may not be applicable to this facility:

1. *The name and address (physical location) of the major source.*  
Cargill Fertilizer, Inc.  
3200 Highway 60 West  
Bartow, Florida 33830
2. *A brief description of the major source and an identification of the relevant source category.*  
This facility may be a major source of HAPs under Subparts AA and BB, Phosphoric Acid Manufacturing and Phosphate Fertilizers Production. This facility also operates Industrial Boilers, Process Heaters, and Reciprocating Internal Combustion Engines.
3. *An identification of the types of emission points belonging to the relevant source category.*  
The Industrial Boilers and Process Heaters have point sources associated with the Fertilizer Manufacturing Facility. There are also various Reciprocating Internal Combustion Engines throughout the facility.
4. *An identification of any affected sources for which a section 112(g) MACT determination has been made.*  
The application of section 112(g) is pending current testing.

If you have any questions, please contact David Jellerson at (813) 671-6297.

Sincerely,

Edgar O. Morris  
Vice President

Re: 112(j) Notification Information Submittal  
Bartow Facility ID 1050046

Dear Mr. Morris:

Thank you for submitting the referenced information in your letter dated May 15, 2002. Your information submittal appears to meet our current 112(j) requirements.

Please be aware that, although your letter refers to this information submittal as a "Part 1 Application," the Department does not recognize your submittal as a state permit application and has no plans to process it as such.

No further 112(j) information is needed from you at this time.

If you have any questions, please call me at 850/921-9534.

Sincerely,

Cindy L. Phillips, P.E.  
Bureau of Air Regulation
