Dear Mr. Koogler:

RE: Farmland Hydro, L.P.

Operation Permit Amendment A053-250142, North MAP/DAP Plant
Operation Permit Amendment A053-242141, Superphosphoric Acid Unit
Operation Permit Amendment A053-200485, Sulfuric Acid Plant No. 5

On February 17, 1995, this Department received your request for amendments to the air operation permits listed above.

The purpose of this letter is to inform you that the FDEP Southwest District Office (Tampa) will process these air operation permit amendments after the related construction permit modifications have been completed by the FDEP Bureau of Air Regulation (Tallahassee).

For reference, the following FDEP processing numbers have been assigned:

<u>Operation</u>	<u>FDEP (Tallahassee)</u>	<u>FDEP (Tampa)</u>
North MAP/DAP Plant	266560	266268
Superphosphoric Acid Unit	266561	266269
Sulfuric Acid Plant No. 5	266562	266270

Permit processing numbers 266268, 266269 and 266270 will be held as "incomplete" at the Southwest District Office until the construction permits have been modified. The Southwest District Office will automatically resume processing of the requested operating permit amendments after the construction permit modifications are completed.

If you have any questions, please call me at 813-744-6100, ext. 117.

Sincerely,

John J. Taylor, P.E.
Air Permitting Engineer
