MEMORANDUM

TO: Cleve Holladay, FDEP
FROM: Pradeep Raval
DATE: July 13, 1998
SUBJECT: Sulfuric Acid Plant No. 6
Farmland Hydro, L.P.
Polk County, Florida

This is a follow up to our telephone conversation today regarding the measures to be taken by Farmland to preclude public access on to the plant property, as required in Specific Condition 15 of the draft permit.

To address your specific concern, Farmland will place "No Trespassing" signs, at 200 feet interval along the road to the south of the proposed plant (in front of the main offices).

It is our understanding that this information will enable you to issue the final permit.

If you have any questions, please call me.
