NOTICE OF ADMINISTRATIVELY CORRECTED AIR CONSTRUCTION PERMIT

In the Matter of a Request for Administrative Correction:

E. O. "Ozzie" Morris	Project No.: 1050053-040-AC
VP, RO and Authorized Representative	Administrative Correction to Permit No.: 1050053-035-AC
Mosaic Fertilizer, LLC 8813 Highway 41 South Riverview, Florida 33569	Green Bay Facility Polk County

Enclosed is an ADMINISTRATIVELY CORRECTED Air Construction Permit, Project No. 1050053-040-AC, for the transfer of ownership from Cargill Fertilizer, Inc., to Mosaic Fertilizer, LLC, for the affected facility located in Polk County. This correction is issued pursuant to Rule 62-210.360, Florida Administrative Code (F.A.C.), and Chapter 403, Florida Statutes (F.S.). This change is made at the applicant's request (included a processing fee of \$50.00, which is being returned) received May 28, 2004; and, supplemental information received July 28, August 29, October 20 and October 29, 2004. This corrective action does not alter the effective dates of the existing permit.

The Department of Environmental Protection (Department) will consider the above-noted action final unless a timely petition for an administrative hearing is filed pursuant to Sections 120.569 and 120.57, F.S. Mediation under Section 120.573, F.S., will not be available for this proposed action.

A person whose substantial interests are affected by the proposed permitting decision may petition for an administrative hearing in accordance with Sections 120.569 and 120.57, F.S. The petition must contain the information set forth below and must be filed (received) by the Agency Clerk in the Department's Office of General Counsel, MS #35, 3900 Commonwealth Boulevard, Tallahassee, Florida 32399-3000 (Telephone: 850/488-9314, Fax: 850/487-4938). Petitions filed by the permit applicant or any of the parties listed below must be filed within 14 (fourteen) days of receipt of this notice. Petitions filed by any other person must be filed within 14 (fourteen) days of receipt of this proposed action. A petitioner must mail a copy of the petition to the applicant at the address indicated above, at the time of filing. The failure of any person to file a petition within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S., or to intervene in this proceeding and participate as a party to it. Any subsequent intervention will be only at the approval of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C.

A petition must contain the following information:

- (a) The name and address of each agency affected and each agency's file or identification number, if known;
- (b) The name, address, and telephone number of the petitioner; the name, address and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial interests will be affected by the agency determination;
- (c) A statement of how and when each petitioner received notice of the agency action or proposed action;
- (d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate;
- (e) A concise statement of the ultimate facts alleged, as well as the rules and statutes which entitle the petitioner to relief;
- (f) A statement of the specific rules or statutes the petitioner contends require reversal or modification of the agency's proposed action; and,
- (g) A statement of the relief sought by the petitioner, stating precisely the action petitioner wishes the agency to take with respect to the agency's proposed action.

A petition that does not dispute the material facts upon which the permitting authority's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301, F.A.C.

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the permitting authority's final action may be different from the position taken by it in this notice. Persons whose substantial interests will be affected by any such final decision of the permitting authority on the application have the right to petition to become a party to the proceeding, in accordance with the requirements set forth above.

In addition to the above, a person subject to regulation has a right to apply to the Department for a variance from or waiver of the requirements of particular rules, on certain conditions, under Section 120.542, F.S. The relief provided by this state statute applies only to state rules, not statutes, and not to any federal regulatory requirements. Applying for a variance or waiver does not substitute or extend the time for filing a petition for an administrative hearing or exercising any other right that a person may have in relation to the action proposed in this notice.

The application for a variance or waiver is made by filing a petition with the Office of General Counsel of the Department of Environmental Protection, 3900 Commonwealth Boulevard, Mail Station #35, Tallahassee, Florida 32399-3000. The petition must specify the following information:

- (a) The name, address, and telephone number of the petitioner;

- (b) The name, address, and telephone number of the attorney or qualified representative of the petitioner, if any;
- (c) Each rule or portion of a rule from which a variance or waiver is requested;
- (d) The citation to the statute underlying (implemented by) the rule identified in (c) above;
- (e) The type of action requested;
- (f) The specific facts that would justify a variance or waiver for the petitioner;
- (g) The reason why the variance or waiver would serve the purposes of the underlying statute (implemented by the rule); and,
- (h) A statement whether the variance or waiver is permanent or temporary and, if temporary, a statement of the dates showing the duration of the variance or waiver requested.

The Department will grant a variance or waiver when the petition demonstrates both that the application of the rule would create a substantial hardship or violate principles of fairness, as each of those terms is defined in Section 120.542(2), F.S., and that the purpose of the underlying statute will be or has been achieved by other means by the petitioner.

Persons subject to regulation pursuant to any federally delegated or approved air program should be aware that Florida is specifically not authorized to issue variances or waivers from any requirements of any such federally delegated or approved program. The requirements of the program remain fully enforceable by the Administrator of the United States Environmental Protection Agency and by any person under the Clean Air Act unless and until the Administrator separately approves any variance or waiver in accordance with the procedures of the federal program.

Any party to this order (permit) has the right to seek judicial review of it under Section 120.68, F.S., by the filing of a Notice of Appeal, under Rule 9.110 of the Florida Rules of Appellate Procedure, with the Clerk of the Department in the Office of General Counsel, 3900 Commonwealth Boulevard, Mail Station #35, Tallahassee, Florida, 32399-3000; and, by filing a copy of the Notice of Appeal accompanied by the applicable filing fees with the appropriate District Court of Appeal. The Notice of Appeal must be filed within thirty days from the date this notice is filed with the Clerk of the permitting authority.

Executed in Tallahassee, Florida.

Re: Application(s) for Transfer of Air Permits
Air Construction, Operation and Title V Permits

Dear Ms. Vielhauer:

In your letter of August 27, 2004, you requested additional information regarding the CONTRIBUTIONS, ASSIGNMENT, AND ASSUMPTION AGREEMENT (the "Agreement"); in which Cargill Fertilizer, Inc. transferred substantially all of its remaining assets into Cargill Fertilizer, LLC. You specifically inquired what activities were excluded from the transfer and whether any of the businesses related to those activities held DEP permits.

The businesses or activities that are excluded from the Agreement are first, all Cargill, Inc., businesses, such as juice, meat, soybeans, grain, etc., that are not related in any manner to the fertilizer business. Additionally, it includes Cargill fertilizer-related businesses outside of Florida that distribute and sell fertilizer but that were not part of Cargill Fertilizer, Inc., previously.

None of the Cargill-fertilizer related businesses outside of Florida that distribute and sell fertilizer have DEP permits. Some Cargill non-fertilizer businesses, such as juice and beef, have DEP permits that are in no way related to the current transaction and need not be considered in the decision to transfer the Cargill Fertilizer, Inc., permits to Cargill Fertilizer, LLC.

Please call Jim Voyles of the Cargill Law Department at 952-742-2589 or me at 813-671-6158 if you have any additional questions.

Sincerely,

Subject: Application(s) for Transfer of Air Permits
Air Construction and Title V Permits

Dear Ms. Vielhauer:

We are in receipt of your letter dated June 19, 2004, with regard to the subject permit transfers. As for item (1) the request for proof that Edgar O. Morris is the Responsible Official (R.O.) for both corporations, enclosed are statements of the Assistant Secretary of Cargill Fertilizer, Inc. / Cargill Fertilizer, LLC indicating that Mr. Morris was elected Vice President of both companies.

On January 8, 2004, a request [DEP Form No. 62-213.900(8)] to change the Responsible Official on the Riverview Facility Title V Permit from Don Clark to E.O. (Ozzie) Morris or in his absence, David B. Jellerson, was submitted to your Mr. Johathan Holtom, (copy enclosed).

As for item (2), documentation is also enclosed which indicates that the liability goes with the assets for each facility. It is hoped these documents, along with the e-mail this date from our Ms. Debbie Waters requesting clarification and an extension of 30 days to prepare the Statements of Compliance will provide you with necessary information.

Very truly yours,

CONTRIBUTION, ASSIGNMENT AND ASSUMPTION AGREEMENT

THIS CONTRIBUTION, ASSIGNMENT AND ASSUMPTION AGREEMENT (this "Agreement") is made and entered into as of May 31, 2004, by and between Cargill Fertilizer, Inc., a Delaware corporation ("Assignor"), and Cargill Fertilizer, LLC, a Delaware limited liability company ("Assignee").

WHEREAS, Assignor owns all of the member interests of Assignee; and

WHEREAS, this Agreement is being executed and delivered in order to effect Assignor's capital contribution to Assignee in the form of a transfer to Assignee of all of Assignor's interests in the Cargill Fertilizer Assets (as defined below) and the assumption by Assignee of the Cargill Fertilizer Liabilities (as defined below).

NOW, THEREFORE, Assignor and Assignee agree as follows:

1. Definitions. For purposes of this Agreement, the following terms shall have the meaning set forth below:

(a) "*Cargill Fertilizer Assets*" means, collectively, all tangible and intangible assets, properties, rights and interests primarily owned or used or held for use in the Cargill Phosphate Production Businesses (as defined below) as of the date hereof, including but not limited to the items set forth on Schedule 1 attached hereto.

(b) "*Cargill Fertilizer Liabilities*" means, collectively, all of Assignor's liabilities and obligations primarily related to the Cargill Fertilizer Assets or primarily related to any business or assets formerly owned or operated by or used primarily in the Cargill Phosphate Production Businesses (as defined below) as of the date hereof.

(c) "*Cargill Phosphate Production Businesses*" means, collectively, the processing, production, storage, transportation, distribution, marketing and sale of phosphate, phosphate-related products by Assignor. For clarity, excluded from this definition are the businesses comprising Parent's U.S. fertilizer distribution business, the Cargill Retail Fertilizer Businesses and all other business units of Assignor or Parent not related to the fertilizer businesses owned and operated by Assignor, Parent or its subsidiaries.

(d) "*Cargill Retail Fertilizer Businesses*" means fertilizer farm centers and similar retail fertilizer stores and locations owned or operated by Parent or Assignor, its subsidiaries or a jointly owned enterprise anywhere in the world whose primary business is to market and sell fertilizer, seed and/or agricultural chemicals to end users.

(e) "Parent" means Cargill, Incorporated, the corporate parent of Cargill Fertilizer, Inc.

2. Contribution of Assets. Assignor does hereby transfer, convey, and assign or cause to be transferred, conveyed and assigned to Assignee, all of Assignor's right, title and interest in and to the Cargill Fertilizer Assets.

3. Excluded Assets. Other than as specifically set forth in Section 2 hereof, Assignor shall not convey, assign or transfer to Assignee and nothing contained in this Agreement shall be construed as a transfer, conveyance or assignment by Assignee of, any tangible or intangible assets, properties, rights or interests owned, used or held for use in (A) the Cargill Retail Fertilizer Businesses or (B) any of Assignor's or any affiliate of Assignor's other business units, including but not limited to Parent's U.S. fertilizer distribution business, that are not part of the Cargill Phosphate Production Businesses.

4. Assumption of Liabilities. Assignor does hereby contribute, transfer and assign to Assignee and its successors and assigns all of Assignor's right, title and interest in, to and under the Cargill Fertilizer Liabilities of Assignor, and Assignee hereby accepts the foregoing assignment and hereby assumes and agrees to pay or perform in accordance with their terms or otherwise satisfy Assignor's obligations or commitments under the Cargill Fertilizer Liabilities.

5. Excluded Liabilities. Other than as specifically set forth in Section 4 hereof, Assignor shall retain, and Assignee shall not assume, and nothing contained in this Agreement shall be construed as an assumption by Assignee of, any liabilities, obligations or undertakings of Assignor related to the Cargill Retail Fertilizer Businesses or any of Cargill's or any affiliate of Cargill's business units, including but not limited to Parent's U.S. fertilizer distribution business, that are not part of Cargill Phosphate Production Businesses.

6. Governing Law. The internal law, without regard to conflicts of laws principles, of the State of Delaware will govern all questions concerning the construction, validity and interpretation of this Agreement and the performance of the obligations imposed by this Agreement.

Subject: Transfer of Cargill Fertilizer Air Permits

Ms. Vielhauer,

Cargill Fertilizer has received your letter dated June 19, 2004 regarding additional information needed for the transfer of Title V and air construction permits for our facilities. However, we did not receive the letter until July 22, 2004. The information you requested regarding the demonstration of Mr. Ozzie Morris as responsible official and documentation regarding the liability of the new corporation has been prepared and is being mailed to your office today.

I tried unsuccessfully to reach you yesterday by phone to get clarification on your request for a Statement of Compliance to be submitted for the time period of January 1, 2004 through May 31, 2004. Is this the same Statement of Compliance report that is required by Title V permits annually on March 1? Please clarify why this is being requested at this time and to whom it should be submitted. The Statement of Compliance is a detailed review and accounting of all Title V requirements and preparation of this report will require additional time. You had indicated in your letter that it was to be submitted by close of business July 27, 2004. Given the delay in receipt of your letter, Cargill is requesting an additional 30 days to prepare this report for our Riverview, Green Bay, Bartow and Mulberry facilities.

Thank you for your help in clarifying this request. If you have any questions please contact me.

Re: Application(s) for Transfer of Air Permits
Air Construction, Operation and Title V Permits

Dear Ms. Vielhauer:

In your letter of August 27, 2004, you requested additional information regarding the CONTRIBUTIONS, ASSIGNMENT, AND ASSUMPTION AGREEMENT (the "Agreement"); in which Cargill Fertilizer, Inc. transferred substantially all of its remaining assets into Cargill Fertilizer, LLC. You specifically inquired what activities were excluded from the transfer and whether any of the businesses related to those activities held DEP permits.

The businesses or activities that are excluded from the Agreement are first, all Cargill, Inc., businesses, such as juice, meet, soybeans, grain, etc., that are not related in any manner to the fertilizer business. Additionally, it includes Cargill fertilizer-related businesses outside of Florida that distribute and sell fertilizer but that were not part of Cargill Fertilizer, Inc., previously.

None of the Cargill-fertilizer related businesses outside of Florida that distribute and sell fertilizer have DEP permits. Some Cargill non-fertilizer businesses, such as juice and beef, have DEP permits that are in no way related to the current transaction and need not be considered in the decision to transfer the Cargill Fertilizer, Inc., permits to Cargill Fertilizer, LLC.

Please call Jim Voyles of the Cargill Law Department at 952-742-2589 or me at 813-671-6158 if you have any additional questions.
