RE: Mosaic Fertilizer, LLC: Draft Permit No. 1050055-014-AV
South Pierce Facility

Withdrawal of Petition for Administrative Hearing

Office of General Counsel:

On April 7, 2006 Mosaic Fertilizer, LLC (Mosaic) petitioned the Florida Department of Environmental Protection (FDEP) for an extension of time to seek an administrative hearing regarding the above referenced Draft Permit. An order was entered granting an extension of time to May 15, 2006. During the extension time period, Mosaic representatives met telephonically and/or in person with FDEP to discuss Mosaic's objectives and concerns (Disputed Matters) raised in the petition regarding the Draft Permit. At the meetings, FDEP and Mosaic reached an agreement regarding the Disputed Matters and FDEP agreed to issue a revised Draft Permit in accord with the agreements reached.

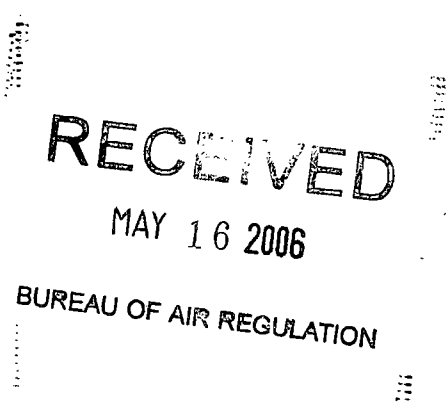

Accordingly, Mosaic withdraws its Petition for Administrative Hearing in reliance on the FDEP's commitment to issue the Revised Draft Permit in accord with the agreement reached.

Please contact the undersigned if you have any questions.

Sincerely,

**ORDER GRANTING REQUEST FOR EXTENSION
OF TIME TO FILE PETITION FOR HEARING**

This cause has come before the Florida Department of Environmental Protection upon receipt of a request made by Petitioner Mosaic Phosphates Company, to grant an extension of time to file a petition for an administrative hearing to allow time to provide certain information to the FDEP on several specific permit conditions for its facility in Polk County, Florida. Because the request shows good cause for the extension of time,

FYI - As long as a petitioner get the REQUEST for another extension or files a Petition before the expiration of the order granting, they are "covered".
