Re: Permit Number AC53-23546

Dear Mrs. Tschinkel:

Pursuant to Specific Condition Number 9 of the above referenced Construction Permit, IMC New Wales Operations is hereby filing its semi-annual progress report.

Effective as of November 1, 1981, construction work has been 98% completed and equipment operational checks are now being performed.

As stipulated in Specific Condition Number 12, New Wales Operations will notify the Bureau of Air Quality Management 30 days in advance of the compliance test and submit a test plan for approval.

Sincerely,

*Joseph M. Baretincic*
