Dear Mr. Baretincic:

Your source test report entitled "Sulfuric Acid Plant Continuous Monitoring Instrument Certification test, Sulfuric Acid Plant #04" was received in this office on October 22, 1981.

The subject report contains the results of all tests necessary to certify the continuous monitor. Therefore this office, based on the information contained in the above mentioned report, determines that the testing conducted and the reports submitted meet the requirements of 40 CFR 60 Appendix B entitled "Performance Specification and Specification Test Procedures for Monitors of SO₂ from Stationary Sources."

This report is accepted as proof that the monitor is in compliance. If we may be of further assistance, please call my office at (404) 881-4552.

Sincerely yours,

Tommie A. Gibbs
