Facility Name and ID: Orange Cogeneration Facility – 1050231  
Project No. 1050231-010-AV

Enclosed with this letter is a copy of a Title V Permit Application received by our office. Please review the document and send us your written comments by August 4, 2007 (Day-30 from receipt of application date).

Each applicant for a Title V permit is required to sign a certification of compliance [see Page 5 of the application form, DEP Form No. 62-210.900(1), Effective: 06/16/03]. Each applicant is also required to report the compliance status of each emissions unit [see Page 12]. Any non-compliance at the time of application and/or during the processing of the application requires a compliance plan to be submitted.

Please review this facility's status with your compliance and enforcement staff. Please notify Bruce Mitchell via email ([bruce.mitchell@dep.state.fl.us](mailto:bruce.mitchell@dep.state.fl.us)) or hard-copy (with your name and date) either:

- a. there are no outstanding compliance or enforcement actions with this facility OR
- b. the following outstanding compliance and enforcement issues exist (please list).

Thank you for your cooperation.
