Request to Withdraw Order Granting Request for Extension of

Time to File Petition for Hearing

Dear Ms. Crandall:

By letter dated March 16, 2006, TEC submitted a request pursuant to Rule 62-110 106(4), Florida Administrative Code, for an extension of time in which to petition for a formal administrative hearing on the referenced Intent to Issue Air Construction Permit for the simple cycle Units 4 and 5 at the Polk Power Station located in Polk County, Florida. Since that request was submitted, we have continued our dialogue with the staff of the Bureau of Air Quality Management and we have resolved the issues associated with the conditions contained in the Intent to Issue Air Construction Permit. As a result, we hereby withdraw our request for the extension of time.

TEC appreciates the Department's consideration in this matter. If you have any further questions or need additional information, please do not hesitate to call Raiza Calderon or me at (813) 228-4369.

Intent to Issue Air Construction Permit

Dear Ms. Crandall:

To accommodate discussions with staff of the FDEP on these issues, we request that the time for Tampa Electric Company to petition for a formal administrative heaving be extended by an additional 45 days from the deadline set forth in the Intent to Issue Air Construction Fermit: pursuant to Rule 62-110.106(4), Florida Administrative Code. Tampa Electric Company believes that this time will be sufficient to amicably resolve the issues without the necessity of pursuing a formal administrative hearing.
