Re: Surrender of Permit No. 1070005-062-AC  
No. 4 Combination Boiler  
Fiber Rejects Project

Dear Mr. Frost:

I received your letter dated March 11, 2011, which surrendered Permit No. 1070005-062-AC. This permit had authorized the limited firing of pulp mill fiber rejects in the No. 4 combination boiler at the Palatka Mill. You indicated that pulp mill fiber rejects have never been fired in this unit and there are no longer plans to do so. By surrendering the permit, the plant is no longer authorized to fire pulp mill fiber rejects in the No. 4 combination boiler.

If you have any questions, please contact me at 850-717-9083.

Sincerely,

Jeffery F. Koerner, Program Administrator  
New Source Review Section, Bureau of Air Regulation  
Division of Air Resource Management

**Re: Surrender of Construction Permit 1070005-062-AC  
No. 4 Combination Boiler Modification  
Fiber Rejects Project**

Dear Mr. Koerner:

Georgia-Pacific Consumer Operations, LLC (Palatka Mill) is surrendering the subject permit, which authorized the firing of pulp mill fiber rejects at up to 10% as blended with bark fuel. The Palatka Mill has not burned any fiber rejects and has no intentions of doing so.

If there are any questions regarding this application, please do not hesitate to contact Ron Reynolds at 386-329-0967.

I, the undersigned, am the responsible official of the source for which this document is being submitted. I hereby certify, based on the information and belief formed after reasonable inquiry, that the statements made and the data contained in this document are true, accurate, and complete.
