BUREAU OF AIR REGULATION

In the Matter of an
Application for Permit by:

OGC No. 08-2192
FDEP Draft Permit No. 1070014-006-AV

Florida Power and Light Company
Putnam Power Plant
Putnam County, Florida

THIRD REQUEST FOR ENLARGEMENT OF TIME

By and through undersigned counsel, Florida Power and Light Company, ("FPL") hereby requests, pursuant to Florida Administrative Code Rule 62-110.106(4), an enlargement of time, to and including October 15, 2008, in which to file a Petition for Administrative Proceedings in the above-styled matter. As good cause for granting this request, FPL states the following:

1. On or about August 15, 2008, FPL received from the Department of Environmental Protection ("Department") an "Intent to Issue Air Permit" and accompanying "Draft Permit" (No. 1070014-006-AV), which is a renewal of the existing Title V Permit for the Putnam Power Plant, which is located approximately at 392 US Highway 17 South, East Palatka, Florida 32131, Putnam County, Florida.

2. Based on FPL's initial review, the Draft Permit and associated documents contain several provisions that warrant clarification or corrections.

3. On or about September 19, 2008 FPL provided written comments and is awaiting the Department's response regarding possible resolutions to the issues needing clarification or correction.

4. On September 4, 2008, the Department granted FPL's first request for extension of time until September 15, 2008 to file a petition in this matter.

5. Furthermore, on September 16, 2008, the Department granted FPL's second request for extension of time until September 30, 2008.

6. This request is filed simply as a protective measure to avoid waiver of FPL's right to challenge certain conditions contained in the Draft Permit, in the event resolution cannot be reached. Granting this second request will not prejudice either party, but will further their mutual interest and hopefully avoid the need to file a Petition and proceed to a formal administrative hearing.

WHEREFORE, FPL, Inc. respectfully requests that the time for filing of a Petition for Administrative Proceedings in regard to the Department's Intent to Issue Air Project No. 1070014-006-AV be formally extended to and including October 15, 2008.

RESPECTFULLY SUBMITTED this 30th day of September, 2008.
