Dear Mr. Linero:

RE: Fees for Permit Modification

Initially it was our understanding that a fee was required for each permit modification. Thus we submitted a \$500.00 fee (our check number S-047502) for our Operating Permits AO56-190275 and AO56-175955. The only fee we should have paid was \$250.00 for modification of the Construction Permit AC56-141460. Please refund the overpayment of \$250.00.

Sincerely,

A handwritten signature in cursive script that reads "Thomas W. Richards".
