RE: Part 1 MACT Application for the
Combustion Turbine (CT) Source Category

Dear Mr. Neeley and Ms. Phillips:

Please find enclosed Part 1 of the two-part 112(j) permit application. We understand that EPA finalized amendments on April 5th to allow this two-part application process, and that DEP is acting to incorporate by reference these amendments at its earliest opportunity.

Based on the information available to us at the time of this application, we believe that we may be subject to section 112(j) of the Clean Air Act. We reserve the right, however, to amend or withdraw this application should we obtain new or different information regarding our status.

As the responsible official, I hereby certify, based on information and belief formed after reasonable inquiry, that the statements and information in this document are true, accurate, and complete.

If there are any questions, please contact George Miller at 772-466-1600 ext. 5220.

Sincerely,

Re: 112(j) Notification Information Submittal

Dear Mr. Richards:

Thank you for submitting the referenced information in your letter dated May 15, 2002. Your information submittal appears to meet our current 112(j) requirements.

Please be aware that, although your letter refers to this information submittal as a "Part 1 MACT Application," the Department does not recognize your submittal as a state permit application and has no plans to process it as such.

No further 112(j) information is needed from you at this time.

If you have any questions, please call me at 850/921-9534.

Sincerely,

Cindy L. Phillips, P.E.
