Barbara – Attached are signed documents of the final AC permit, Notice of final AV permit and the final Title V renewal for the above referenced facility. These can be clerked and issued.

Jeff - This project was a concurrent AC/AV project for the Title V renewal and AC minor modification related to excess emissions. Comments were submitted by the applicant on the draft/proposed package. Those comments were addressed to the applicant's satisfaction.

Kris – Please replace all the word documents in your folder with the ones attached with this email.

Thanks,
Syed
