2nd Request

Dear Mr. Robbins:

The e-mail shown below was sent to you 6/13/2012. We have not received confirmation that you were able to access the documents attached to the e-mail. Please confirm receipt/access to me at your earliest convenience.

The Southwest District is sending electronic versions of these documents rather than sending them Return Receipt Requested via the US Postal service. Your "receipt confirmation" reply serves the same purpose as tracking the receipt of the signed "Return Receipt" card from the US Postal Service. Please let me know if you have any questions.

Thank you for your help,

Carol L. Moore

Dear Mr. Robbins:

IMPORTANT: We must receive verification, by email stating that you are able to access the attachment(s), and the LINK shown below. Your immediate reply will preclude subsequent e-mail transmissions to verify accessibility of the document(s).

Attached is the **signature page** for the official **Final Permit** for the project referenced above. The Final Permit (including the Final Permit and the Attachments) has been posted on the Department of Environmental Protection's website.

Click on the link displayed above to access the permit project documents and send a "reply" message verifying receipt of the document(s) provided in the link; this may be done by selecting "Reply" on the menu bar of your e-mail software, noting that you can view the documents, and then selecting "Send".

Permit project documents that are addressed in this email may require immediate action within a specified time frame. Please open and review the document(s) as soon as possible, and verify that they are accessible. Please advise this office of any changes to your e-mail address or that of the Engineer-of-Record.

The Southwest District is issuing electronic documents for permits, notices and other correspondence in lieu of hard copies through the United States Postal System, to provide greater service to the

applicant and the engineering community. Access these documents by clicking on the link provided above, or search for other project documents using the "Air Permit Documents Search" website at <http://www.dep.state.fl.us/air/emission/apds/default.asp>.

If you should have any questions, please contact Danny Stubbs, the Permit Engineer at Danny.Stubbs@dep.state.fl.us.

Sincerely,

Carol L. Moore
