Hi Danny

William at Robbins just forwarded this to me this morning. This boiler is the first Exempted Emissions Unit/Activities listed on page 4 of 9. Could you please remove it from the draft? Thanks!

Cory

The 150 HP boiler fueled with propane is no longer on site. The propane boiler was sold at auction several years ago and was removed by a contractor. William

Subject: Robbins Manufacturing Pre-Draft Permit No. 1190011-008-AC

Mr. Robbins,

A Pre-Draft copy of Air Construction Permit No. 1190011-008-AC is attached for you and Mr. Cory Houchin, P.E. to review. The purpose of this Pre-Draft is to provide you with an opportunity to raise any concerns and provide me with feedback before the official Draft Permits are issued. Please provide your feedback and suggestions to me by Wednesday (05/16/2012) or sooner if possible.

Thanks for your cooperation.
