Dear Mr. Robbins II:

**IMPORTANT: We must receive verification, by email, stating that you are able to access the documents. Your immediate reply will preclude subsequent e-mail transmissions to verify accessibility of the document(s).**

Attached is the official **Written Notice of Intent to Issue Air Permit** for the project referenced above. The Written Notice of Intent to Issue Air Permit (including the Draft Permit and the Attachments) has been posted on the Department of Environmental Protection's Southwest District website.

Click on the link displayed above to access the permit project documents and send a "reply" message verifying receipt of the document(s) provided in the link; this may be done by selecting "Reply" on the menu bar of your e-mail software, noting that you can view the documents, and then selecting "Send".

Permit project documents that are addressed in this email may require immediate action within a specified time frame. Please open and review the document(s) as soon as possible, and verify that they are accessible. Please advise this office of any changes to your e-mail address or that of the Engineer-of-Record.

The Southwest District is issuing electronic documents for permits, notices and other correspondence in lieu of hard copies through the United States Postal System, to provide greater service to the applicant and the

engineering community. Access these documents by clicking on the link provided above, or search for other project documents using the "Air Permit Documents Search" website at <http://www.dep.state.fl.us/air/emission/apds/default.asp>.

For your convenience, I have also attached the **Public Notice of Intent to Issue Air Permit** in a word document.

If you should have any questions, please contact Danny Stubbs, the Permit Engineer at [Danny.Stubbs@dep.state.fl.us](mailto:Danny.Stubbs@dep.state.fl.us).

Sincerely,

Carol L. Moore
