Oxford Facility
Sumter County

Facility ID No.: FLG110379-002-IWCB
Permit Expiration: December 12, 2011

Dear Mr. Gentry:

In response to your request for coverage under the Generic Permit for Discharges from Concrete Batch Plants for the above referenced facility, received April 26, 2006, the Department of Environmental Protection hereby grants your request effective on the date this letter is filed with the Clerk of the Department. Your permit number is FLG110379. Please refer to this number in all correspondence or permit inquiries.

A copy of the effective Generic Permit and a copy of Chapter 62-621, Florida Administrative Code (F.A.C.) are enclosed. Your use of the Generic Permit is valid until the permit expiration date shown above. If you wish to continue coverage beyond expiration of the current coverage, request for continued coverage shall be made in accordance with the Generic Permit at least 180 days before expiration. All correspondence, including the request for continued coverage under Section VII.D of the Generic Permit, shall be submitted to the Southwest District Office.

Pursuant to Section 403.087, Florida Statutes (F.S.) and Rule 62-4.052(8)(b), F.A.C., an initial pro-rated regulatory program and surveillance fee is due within 30 days of receipt of invoice. Each year thereafter, the full fee will be due on January 15. The annual fee applicable to your facility is \$200 per year. If you have any questions about the fee or its applicability, please contact the Wastewater Compliance Evaluation Section at (850) 245-8567.

A person whose substantial interests are affected by the Department's permitting decision may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57, F.S. Please see "Attachment A" regarding Notice of Rights for additional information.

"More Protection, Less Process"

Printed on recycled paper.

CONCRETE BATCHING PLANT
AIR GENERAL PERMIT NOTIFICATION FORM

Part III. Notification of Intent to Use General Permit

(Submit this Part to the appropriate permitting office and keep copy of completed form onsite. Instructions follow.)

Instructions to Owner or Operator: To give notice to the Department of an eligible facility's intent to use the concrete batching plant air general permit, the owner or operator of the facility must detach and complete Part III of this Concrete Batching Plant Air General Permit Notification Form and submit it to the appropriate Department of Environmental Protection district office or local air pollution control program office which has been delegated permitting authority. Please type or print clearly all information and enclose the appropriate general permit processing fee pursuant to Rule 62-4.050(4)(o), F.A.C. Please note, the form will not be considered complete unless: 1) the processing fee is attached; 2) if appropriate, the proof of notice publication is attached; and 3) if the facility is existing, visible emissions testing was conducted within 60 days of submitting the form and the test results have already been submitted to the appropriate permitting authority or accompany the form. Also, please refer to the instructions for completing Part III of the notification form at the end of the form.

Loadout:	Point ID No:	03

Surrender of Existing Air Permit(S) except Air General Permits (do not complete for renewal notifications)

Check one:

I hereby surrender all existing air permits authorizing operation of the facility indicated on this form; specifically permit number(s) 1190026-003-AG

No air permits currently exist for the operation of the facility indicated on this form.

Owner/Authorized Representative Statement

I, the undersigned, am the owner or authorized representative of the owner or operator of the facility addressed in this Air General Permit Notification Form. I hereby certify, based on information and belief formed after reasonable inquiry, that the statements made in this notification are true, accurate and complete. Further, I agree to operate and maintain the facility and any air pollution control equipment described in this notification so as to comply with all applicable standards and requirements for control of air pollutant emissions found in the statutes of the State of Florida and rules of the Department of Environmental Protection and revisions thereof.

I will promptly notify the Department of any changes to the information contained in this notification.
