Dear Al:

Enclosed please find the proof of publication for American Cement Company's Notice of Application. Although the extension "American.htm" did not print in the notice, an article in the paper concerning our application ran the same day in which the correct web site was listed. The article actually created more visibility than did the notice.

Thank you for your continued support and assistance in our permitting process. Do not hesitate to contact me should you require any additional information.

Sincerely,

AMERICAN CEMENT COMPANY
