Project No. 1190042-004-AC, PSD-FL-361C
Request to Extend Permit Expiration

Dear Mr. Cullen:

On January 30, 2009, we received your request and sufficient fee for a one-year extension to the air construction permit, Project No. 1190042-003-AC, PSD-FL-361B, at American Cement Company, L.L.C. The facility is located in Sumter County at County Road 470, in Sumterville, Florida. The request is incomplete. In order to continue processing your request, please provide the additional information requested below. Should your response to any of the requested items require new calculations, please submit the new calculations, assumptions, reference material and appropriate revised pages of the application form.

1. Please identify the items for which you have completed construction.
2. Identify items yet to be completed and provide a construction schedule.

The above information is requested pursuant to the following F.A.C. regulations: Rule 62-4.050 (Procedures to Obtain Permits and Other Authorizations; Applications); 62-4.055 (Permit Processing); 62-4.070 (Standards for Issuing or Denying Permits; Issuance; Denial); 62-4.120 (Construction Permits); 62-204.800 (Federal Regulations Adopted by Reference); 62-212.300 (Permits Required); 62-210.370 (Emissions Computations and Reporting); 62-210.900 (Forms and Instructions); 62-212.300 (General Preconstruction review); and 62-212.400 (Preventions of Significant Deterioration). All applications for a Department permit must be certified by a professional engineer registered in the State of Florida pursuant to Rule 62-4.050(3), F.A.C. This requirement also applies to responses to Department requests for additional information of an engineering nature. For any material changes to the application, please include a new certification statement by the authorized representative or responsible official.

We will resume processing your application after receipt of the requested information. You are reminded that Rule 62-4.055(1), F.A.C. requires applicants to respond to requests for information within 90 days or to provide a written request for an additional period of time to submit the information. If you have any questions regarding this matter, please contact the project engineer, Susan DeVore, at 850/921-8968.

REQUEST FOR ADDITIONAL INFORMATION

Sincerely,

Susan C. DeVore, Professional Engineer II
