2nd Request

Dear Mr.Rainey:

The e-mail shown below was sent to you December 21, 2011. **We have not received confirmation that you were able to access the link and document(s) attached to the e-mail. Please confirm receipt/access to me at your earliest convenience.**

If you are unable to send the email, please have a designated representative send it for you specifying they are responding on your behalf.

The Southwest District is sending electronic versions of these documents rather than sending them Return Receipt Requested via the US Postal service. Thank you for your help,

Sincerely,

12/27/11 - 1:00P - The Rainey called to let me know they received the permit and was able to open documents. We tried to email me but couldn't get it to go through. P

Re: Request for refund of permit application fee

Project: Rainey Asphalt, LLC. 1190050-004-AO

Please issue a request for refund of the attached application fee. The amount of refund is \$100.00.

Listed below is the reason for the refund:

The applicant, Rainey Asphalt LLC, submitted a check of \$1,000 on September 15, 2011 for an application to revise Air Operation Permit 1190050-003-AO. Since there are 4.5 years left on the operation permit, the prorated fee is \$900.00.

Thanks.
