Pursuant to Florida Administrative Code Rules 62-4.03 and 62-4.09 and Section 120.60, Florida Statutes, an application form for a permit to operate an air pollution source is being forwarded to you since, according to our records, your present permit No. 1210003-002-AC/PSD-FL-014 (A) **EXPIRES 06-MAY-2002**.

Please be aware that in accordance with Florida Administrative Rule 62-213.420(1)(a)4., an application for Title V Permit Revision should be submitted to the Department no later than 180 days after the emissions unit commences operation.
