NOTICE OF APPLICATION
STATE OF FLORIDA
DEPARTMENT OF
ENVIRONMENTAL PROTECTION
DEP File No. 1210465-016-AC
Suwannee American Cement Plant
Branford, Suwannee County

The Department of Environmental Protection (Department) announces receipt of an application for an air construction permit from Suwannee American Cement. The application is to test alternative fuels, including automobile shredder residue (ASR), at the Suwannee American Cement Plant located at 5117 U.S. Highway 27 in Branford, Suwannee County. The requested permit would allow the use of ASR, also known as "auto fluff" for a trial period. The applicant has requested a maximum of 180 days of operational testing within a 12 month trial period. Any such permit would also require emission and performance testing.

The initial application was received on September 29, 2008. The most recent submittal in response to the Department's requests for additional information was received on February 18, 2009. The application is under review by the Department to determine whether it is complete.

The application is available for public inspection during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at the following Department offices:

Department of Environmental Protection
Bureau of Air Regulation
111 South Magnolia Drive, Suite 4
Tallahassee, Florida 32399-2400
Telephone: 850/921-8968
Fax: 850/921-9533

Department of Environmental Protection
Northeast District Office
7825 Baymeadows Way, Suite B200
Jacksonville, Florida 32256-7577
Telephone: 904/807-3300
Fax: 904/448-4362

Key portions of the application, past permitting projects and additional information can be accessed at the Department's website at:
"http://www.dep.state.fl.us/Air/permitting/construction/suwannee.htm"

Refer to the heading "Kiln 1" and subheading "Alternative Fuels Testing".
