Alternative Fuel Materials Testing – SAC Cement Kiln

Dear Christy,

On behalf of Suwannee American Cement, I am requesting an additional 90 days to respond to the Request for Additional Information No. 5 per your letter dated December 7, 2009 to Tom Messer, SAC Plant Manager. Additional time is requested to complete and provide results of the short-term test trial of autofluff per permit 1210465-017-AC. The short-term trial is expected to begin next week and results will be provided as requested.

If you have any questions concerning this request, please do not hesitate to contact me.

Sincerely,

Max Lee, Ph.D., P.E.
