RE: Modeling contract

Dear Dr. Ellis:

I am in receipt of your email correspondence dated August 12, 2005 regarding the modeling contract between the Florida Department of Environmental Protection ("Department") and Enviroplan Consulting ("Enviroplan").

The Department's budget for this project was based upon Enviroplan's June 24, 2005 proposal. As you are aware, in this proposal, Enviroplan proposed performing the modeling analysis requested for \$23,894. Based upon this proposal, the Department budgeted \$25,000 for this project.

I am unable to increase the amount of this contract beyond the \$25,000 originally budgeted. I am requesting that Enviroplan cease additional work under this contract until we've had a chance to discuss this matter when you return to the office on August 22, 2005. I will be out of town that week; however, please contact me on my cell phone at 850/519-0197.

Sincerely,

Trina L. Vielhauer
