Re: PSD Air Construction Permit Application
Taylor Energy Center, Taylor County, Florida
DEP File No.: 1230052-0001-AC (PSD-FL-391)

Dear Ms. Vielhauer:

As counsel for and on behalf of Florida Municipal Power Agency, JEA, City of Tallahassee, and Reedy Creek Improvement District, we are sending this letter to withdraw the above-referenced, pending application for a Prevention of Significant Deterioration (PSD) Air Construction Permit which these applicants filed with the Florida Department of Environmental Protection on May 24, 2007, for the Taylor Energy Center. This withdrawal is made without prejudice to any other pending proceeding.

If there is any portion of the \$7,500 processing fee remaining, the applicants request a refund. The check should be made payable to JEA and sent to Mike Kurtz, Executive Director, Taylor Energy Center, 301 West Bay Street, Jacksonville, Florida 32202.

Thank you for your consideration and attention to this matter. If you have any questions, please do not hesitate to contact us.

Sincerely,

HOPPING GREEN & SAMs, P.A.
