Attention: Mr. Scott Sheplak
Administrator Title V Permits

Dear Mr. Sheplak:

As discussed during our conversation this date, I would appreciate a draft copy, or copy of the Title V permit for the Florida Power & Light Company Generating Plant. The plant is located on the St. John's River at DeBary, Florida, and is commonly known as the "Sanford" plant.

Thank you for your cooperation.

Very truly yours,

D. D. Borum
General Manager
