Dear Mr. Fancy:

The purpose of this letter is to update you regarding the direct/final Federal Register notice approving the temporary relaxation of SIP limits during the Orimulsion test burn for Florida Power & Light's Sanford #4 Unit located in Volusia County, Florida. The notice was published on November 7, 1990, and the public comment period expired on December 7, 1990. The Regional office did not receive any comments with respect to the approval, therefore, the revision will become effective on January 7, 1990.

If you have any questions, please do not hesitate to call Kay Prince of my staff at (404) 347-2864.

Sincerely yours,

A handwritten signature in cursive script, appearing to read "Bruce P. Miller".
