Dear Mr. Kahn:

We are requesting a 1 year extension in the life of above referenced permit.

Construction of this facility has taken longer then originally anticipated. We need additional time to complete construction of the plant, perform the required compliance testing, and prepare the operation permit application. Your office will need additional time as well to review the test report and permit application and issue the operating permit.

For these reasons we are requesting an administrative change of permit to change the expiration date from May 31, 2008 to May 31, 2009. We have attached a check in the amount of \$ 50.00 for this administrative change of permit.

Your prompt execution of this request will be greatly appreciated. If you have any questions, please call me at your convenience at (813) 973-2888.

Sincerely,

APAC Southeast, Inc.

John H. Skidmore  
Division President
