Permit No. 7770073-010-AC - Expiration 5/31/09
File #: 7770073-012-AC

Dear MS. Torres:

We are requesting a 7 month extension in the life of above referenced permit.

Construction of this facility has been halted due to current economic conditions. More favorable economic conditions in the construction sector are anticipated for the latter half of 2009, at that time final construction of the above referenced facility will be completed. Upon completion of construction of the plant, the required compliance testing will be performed, and an application for the operation permit will be submitted.

For these reasons we are requesting an administrative change of permit to change the expiration date from May 31, 2009 to December 31, 2009. We have attached a check in the amount of \$ 50.00 for this administrative change of permit.

Your prompt execution of this request will be greatly appreciated. If you have any questions, please call me at your convenience at (813) 973-2888.

Sincerely,

APAC Southeast, Inc.
