SUBJ: Amendment of Permit No. AC 48-166670  
CleanSoils Soil Remediation Unit

Attached for your approval and signature is a letter that will extend the expiration date of a construction permit for a contaminated soil treatment facility that was prepared by the Bureau of Air Regulation.

The extension is not controversial.

I recommend your approval and signature.

CERTIFIED MAIL - RETURN RECEIPT REQUESTED

Mr. James K. Poucher, President  
CleanSoils, Inc.  
14120 23rd Avenue North  
Minneapolis, Minnesota 55447

Dear Mr. Poucher:

Re: Amendment of Permit No. AC 48-166670

The Department is in receipt of Mr. Robert Wills' April 26, 1990, letter requesting your permit to construct a portable soil remediation unit be extended. The extension is needed because of delays in completion of a soil remediation project in Milwaukee, Wisconsin. This request is acceptable and the expiration date of permit No. AC 48-166670 is changed from July 15, 1990, to December 15, 1990.

A copy of this letter must be attached to the referenced construction permit and shall become a part of that permit.

Sincerely,

Dale Twachtmann  
Secretary
