PUBLIC NOTICE OF INTENT TO ISSUE AIR PERMITS

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
DRAFT Permits Nos. 7775035-001-AC/7775035-002-AO
Portable Rock Crusher

Glades, Hendry, and Palm Beach Counties
The Department of Environmental Protection (Department) gives notice to its intent to issue "after-the-fact" air construction and operation permits for a diesel engine powered portable rock crusher to United States Sugar Corporation. A Best Available Control Technology (BACT) determination was not required for any pollutant pursuant to Rule 62-212.400, F.A.C. and 40 CFR 52.21, Prevention of Significant Deterioration (PSD). The applicant's name and address are: United States Sugar Corporation, Post Office Box 1207, Clewiston, Florida 33440-1207.
The applicant proposes to operate an existing portable rock crusher powered by a diesel engine at its farms and sugar mill located in Glades, Hendry, and Palm Beach Counties. The unit will emit particulate matter and the products of combustion from 0.5 percent sulfur diesel fuel. Visible emissions are limited to 20 percent opacity which is attained by wetting of the crushed material as necessary.

Total estimated emissions are:
Pollutant Particulate Matter (PM/PM10): **Maximum Emissions** pounds per hour 1.0; **Net Emissions** tons per year 3.7; Nitrogen Oxides 0.9, 35.9; Carbon Monoxide 2.1, 7.7; Sulfur Dioxide 0.7, 2.4; Volatile Organic Compounds 0.8, 2.9.
The project has an insignificant impact on the Everglades National Park Class I area.
The Department will issue the FINAL Permits, in accordance with the conditions of the DRAFT Permits unless a response received in accordance with the following procedures results in a different decision or significant change of terms or conditions.

The Department will accept written comments concerning the proposed DRAFT Permit issuance actions for a period of 30 (thirty) days from the date of publication of this Notice. Written comments should be provided to the Department's Bureau of Air Regulation, 2800 Blair Stone Road, Mail Station #5605, Tallahassee, Florida 32399-2400. Any written comments filed shall be made available for public inspection. If written comments received result in a significant change in these DRAFT Permits, the Department shall issue Revised DRAFT Permits and require, if applicable, another Public Notice.

The Department will issue the FINAL Permits with the conditions of the DRAFT Permits unless a timely petition for an administrative hearing is filed pursuant to Sections 120.569 and 120.57 F.S. Mediation is not available for this action. The procedures for petitioning for a hearing are set forth below.

A person whose substantial interests are affected by the Department's proposed permitting decision may petition for an administrative hearing in accordance with Sections 120.569 and 120.57 set forth below and must be seen received by the Office of General Counsel of the Department, 3900 Commonwealth Boulevard, Mail Station #35, Tallahassee, Florida 32399-3000, telephone: 850/488-9370, fax: 850/487-4938. Petitions must be filed within fourteen days of publication of the public notice or within fourteen days of receipt of this notice of intent, whichever occurs first. A petitioner must mail a copy of the petition to the applicant at the address indicated above, at the time of filing. The failure of any person to file a petition for a request for mediation, as discussed below within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57 F.S., or to inter-

venes in this proceeding and participate as a party to it. Any subsequent intervention will be only at the approval of the presiding officer upon the filing of a motion in compliance with Rule 20-3.07 of the Florida Administrative Code.
A petition must contain the following information: (a) the name, address, and telephone number of each petitioner, the applicant's name and address, the permit file numbers and the county in which the project is proposed; (b) a statement of how and when each petitioner received notice of the Department's action or proposed action; (c) a statement of how each petitioner's substantial interests are affected by the Department's action or proposed action; (d) a statement of the material facts disputed by petitioner; (e) a statement of the facts that the petitioner contends warrant reversal or modification of the Department's action or proposed action; (f) a statement identifying the rules or statutes that the petitioner contends require reversal or modification of the Department's action or proposed action; and (g) a statement of the relief sought by the petitioner, stating precisely the action that the petitioner wants the Department to take with respect to the Department's action or proposed action addressed in this notice of intent.
Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the Department's final action may be different from the position taken by it in this notice of intent. Persons whose substantial interests will be affected by any such final decision of the Department on the application have the right to petition to become a party to the proceeding, in accordance with the requirements set forth above.
A complete project file is available for public inspection during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at:
Department of Env. Protection, Bureau of Air Regulation, 111 S. Magnolia Drive, Suite 4, Tallahassee, Florida, 32301. Telephone: 850/488-1344, Fax: 850/922-6978; Department of Env. Protection, South Florida District, 22055 Victoria Avenue, Suite 504, Fort Myers, Florida 33901. Telephone: 941/332-6975, Fax: 941/332-6989; Div. of Env. Science and Eng., Palm Beach County Health Unit, 901 Everett Street, West Palm Beach, Florida 33401. Telephone: 561/385-3970, Fax: 561/385-2443.
The complete project file includes the application, technical evaluation, Draft Permits, and the information submitted by the responsible official, complete of completed records under section 409.111, F.S. Interested persons may contact the Administrator, New Braunfels Review Section, 4111 South Loop West, Suite 4, Tallahassee, Florida 32301, or call 850/488-1344 for additional information.
