Dear Mr. Mulliniks:

We acknowledge your letter of January 22, 2001, requesting an expanded county list of authorization based on additional newspaper proof of publication affidavits that have been furnished to the Department. The permitted counties are contained in an Appendix PC, which is an attachment to each of the above referenced AC/AO permits.

A check for \$150.00 was also provided as processing fees; however, the total amount due is \$750.00 (\$250.00 per project). On February 9, 2001, we received additional monies (\$525.00) as processing fees. We applied \$250.00 to 7775036-014-AC, \$250.00 to 7775103-008-AC, and \$175.00 to 7775104-002-AC (insufficient by \$75.00). We will refund the insufficient processing fee for project 7775104-002-AC, if we have not received the deficient amount in 30 days after receipt of this letter.

If there are any questions, please call William Leffler at 850/921-9522.

Sincerely,

C. H. Fancy, P.E.

Re:	Mulliniks Construction Company, Inc. Amendment to Air Construction/Operation Permits Permit Project No.: 7775036-014-AC Amending AC/AO Permits Nos.: 7775036-006-AC / 7775036-007-AO Update of Appendix PC: Authorizing Additional Counties
Date:	February 14, 2001

On January 22, 2001, we received a request from the permittee to update their air construction and operating permits to include additional counties in which the permittee had previously published the public notice required by Rule 62-210.350, F.A.C., and for which the permittee provided affidavits indicating publication in each of these additional counties.

Appropriate processing fees followed on February 9, 2001, and the applications were deemed complete with respect to this permitting action.

No comments were received regarding the public notice.

I recommend signing the notice conveying the updated Appendix PC.
