PUBLIC NOTICE  
STATE OF FLORIDA  
DEPARTMENT OF ENVIRONMENTAL PROTECTION  
NOTICE OF INTENT TO ISSUE PERMIT

The Department of Environmental Protection gives notice of  
its intent to issue an air pollution permit (Permit File No. 1190018-  
006-AC) to Florida Crushed Stone Co. / Consolidated Minerals  
Inc. for the construction of three additional belt conveyors  
(Nos. 30, 31 & 32) at the Center Hill limestone process plant lo-  
cated at State Road 48 West, Center Hill, Sumter County. MAIL-  
ING ADDRESS - Post Office Box 490300, Leesburg, FL 34749-0300,  
to the attention of Mr. Dennis C. Kenney, Vice President.

The Department will issue the permit with the attached con-  
ditions unless a timely petition for an administrative hearing is  
filed pursuant to Sections 120.569 and 120.57, F.S., before the  
deadline for filing a petition. The procedures for petitioning for a  
hearing are set forth below.

A person whose substantial interests are affected by the pro-  
posed permitting decision may petition for an administrative  
proceeding (hearing) under Sections 120.569 and 120.57, F.S.  
The petition must contain the information set forth below and  
must be filed (received) in the Office of General Counsel of the  
Department at 3900 Commonwealth Boulevard, Mail Station 35,  
Tallahassee, Florida, 32399-3000. Petitions filed by the permit ap-  
plicant or any of the parties listed below must be filed within  
fourteen days of receipt of this notice of intent. Petitions filed by  
any persons other than those entitled to written notice under  
Section 120.60(3), F.S., must be filed within fourteen days of pub-  
lication of the public notice or within fourteen days of receipt of  
this notice of intent, whichever occurs first. Under Section  
120.60(3), F.S., however, any person who asked the Department  
for notice of agency action may file a petition within fourteen  
days of receipt of that notice, regardless of the date of publica-  
tion. A petitioner shall mail a copy of the petition to the appli-  
cant at the address indicated above at the time of filing. The  
failure of any person to file a petition within the appropriate  
time period shall constitute a waiver of that person's right to re-  
quest an administrative determination (hearing) under Sections  
120.569 and 120.57, F.S., or to intervene in this proceeding and  
participate as a party to it. Any subsequent intervention will be  
only at the approval of the presiding officer upon the filing of a  
motion in compliance with Rule 28-106.205, F.A.C.

A petition that disputes the material facts on which the De-  
partment's action is based must contain the following infor-  
mation:

- (a) The name and address of each agency affected and  
each agency's file or identification number, if known;
- (b) The name, address, and telephone number of the  
petitioner, the name, address, and telephone number of the  
petitioner's representative, if any, which shall be the address for  
service purposes during the course of the proceeding; and an  
explanation of how the petitioner's substantial interests will be  
affected by the agency determination;
- (c) A statement of how and when petitioner received no-  
tice of the agency action or proposed action;
- (d) A statement of all disputed issues of material fact; if  
there are none, the petition must so indicate;
- (e) A concise statement of the ultimate facts alleged, in-  
cluding the specific facts the petitioner contends warrant rever-  
sal or modification of the agency's actions and;
- (f) A statement of specific rules or statutes the petitioner  
contends require reversal or modification of the agency's pro-  
posed action; and
- (g) A statement of the relief sought by the petitioner, stat-  
ing precisely the action petitioner wishes the agency to take  
with respect to the agency's proposed action.

A petition that does not dispute the material facts upon  
which the Department's action is based shall state that no such  
facts are in dispute and otherwise shall contain the same infor-  
mation as set forth above, as required by Rule 28-106.301, F.A.C.

Because the administrative hearing process is designed to  
formulate final agency action, the filing of a petition means that  
the Department's final action may be different from the position  
taken by it in this permit. Persons whose substantial interests will  
be affected by any such final decision of the Department on  
the application have the right to petition to become a party to  
the proceeding in accordance with the requirements set forth  
above.

Mediation is not available in this proceeding. The applica-  
tion is available for public inspection during normal business  
hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except leg-  
al holidays, at 8407 Laurel Fair Circle, Tampa, Florida.

Any person may request to obtain additional information, a  
copy of the application (except for information entitled to confi-  
dential treatment pursuant to Section 403.111, F.S.), all relevant  
supporting materials, a copy of the permit draft, and all other  
materials available to the Department that are relevant to the  
permit decision. Additionally, the Department will accept writ-  
ten comments concerning the proposed permit issuance ac-  
tion for a period of 14 (fourteen) days from the date of publica-  
tion of "Notice of Intent to Issue Permit." Requests and written  
comments filed should be provided to the Florida Department  
of Environmental Protection at 3604 Coconut Palm Drive,  
Tampa, FL 33619 to the attention of Mr. Jerry Kessel (phone no.  
813-744-6100 ext. 107), referencing Permit File No. 1190018-  
006-AC. Any written comments filed shall be made available for  
public inspection. If written comments received result in a signif-  
icant change in the proposed agency action, the Department  
shall revise the proposed permit and require, if applicable, an  
other Public Notice.
