Environmental Protection**

TO: Deborah A. Getzoff
FROM: David Zell, Air Permitting
DATE: July 29,2002
SUBJECT: Request for Refund of Attached Application Fee
Application Reference: 7775176-001-AC (C.W. Roberts Contracting, Inc.)

Please issue a request for refund of the attached application fee. The amount of refund is \$1000.00. Listed below is the reason for refund.

The applicant, C.W. Roberts Contracting, Inc., submitted a \$1000.00 air construction permit fee for a portable RAP crusher as part of a relocatable asphalt plant. However upon review of the application, it was determined that this RAP crusher was already operating under an air general permit (7775158-001-AG) and no additional permitting was required. Therefore the application fee is not required and the applicant needs to be given an opportunity to request a refund of this fee.
