MEMORANDUM

TO: FILE

THROUGH: Gerald J. Kissel, P.E., District Air Program Administrator

THROUGH: Acting Air Permitting Supervisor

FROM: QUAID NOOR QN.

DATE: 11/24/2003

SUBJECT: Permit Amendment (Time Extension)
C.W. Roberts Contracting, Inc.
Referenced Permit: 7775176-001-AC

An application for a permit amendment (time extension) was received from C.W. Roberts Contracting, Inc. on June 30, 2003.

This amendment to Permit No. 7775176-001-AC is to extend the expiry of the permit as per request of permittee.

A draft permit amendment with an intent to issue and a public notice was sent to the Permittee. The representatives of the petitioners were copied both in the intent and in the amendment per discussion with Doug Beason of OGC.

The Public Notice was published in the "Sumter County Times" on November 6, 2003 and no comments have been received during the 14-day comment period. The Department on November 12, 2003 received the Proof of Publication. I have reviewed the Proof of Publication and all are in order.

Based on the information above, I recommend this permit amendment (Time Extension) be issued.
