BUREAU OF AIR REGULATION

In the Matter of an
Application for Permit by:

OGC No.: 99-1794

Sea Ray Boats, Inc.

Merritt Island, FL 32953

Permit No.: 0090093-003-AC; PSD-FL-274
Cape Canaveral Plant
Brevard County, Florida

REQUEST FOR EXTENSION OF TIME

By and through undersigned counsel, Sea Ray Boats, Inc. (Sea Ray) hereby requests, pursuant to Florida Administrative Code Rule 62-110.106(4), an Extension of Time, to and including January 28, 2000, in which to file a Petition for Administrative Proceedings in the above-styled matter. As good cause for granting this request, Sea Ray states the following:

1. On or about October 8, 1999, Sea Ray received from the Department of Environmental Protection (Department) an "Intent to Issue Air Construction Permit" (Permit No. 0090093-003-AC, PSD-FL-274) for the proposed Cape Canaveral Plant to be located in Brevard County, Florida. Along with the Intent to Issue, Sea Ray received a proposed Air Construction Permit and "Public Notice of Intent to Issue Air Construction Permit."

2. Sea Ray received from the Department an extension of time through and including January 14, 2000, by order dated December 27, 1999.

3. The proposed permit and associated documents contain several provisions that warrant clarification, correction, or revision.

4. Representatives of Sea Ray have corresponded and intend to continue to correspond with staff of the Department's Bureau of Air Regulation in an effort to resolve all issues.

5. This request is filed simply as a protective measure to avoid waiver of Sea Ray's right to challenge certain conditions contained in the proposed permit. Grant of this

request will not prejudice either party, but will further their mutual interest and likely avoid the need to file a petition and proceed to a formal administrative hearing.

6. A representative of Sea Ray has contacted Clair Fancy with the Department's Bureau of Air Regulation to discuss Sea Ray's request for an extension of time until January 28, 2000, and he has no objection.

7. Counsel for Sea Ray has attempted without success to contact Douglas Beason with the Department's Office of General Counsel regarding this request.

WHEREFORE, Sea Ray respectfully requests that the time for filing of a Petition for Administrative Proceedings in regard to the Department's Intent to Issue Air Construction Permit for Permit No. 0090093-003-AC, PSD-FL-274 be formally extended to and including January 28, 2000. If the Department denies this Request, Sea Ray requests the opportunity to file a Petition for Administrative Proceedings within 10 days of such denial.

Respectfully submitted this 10th day of January, 2000.
