TENTH REQUEST FOR ENLARGEMENT OF TIME

By and through undersigned counsel, Tarmac America, Inc. (Tarmac) hereby requests, pursuant to Florida Administrative Code Rule 62-110.106(4), an enlargement of time, to and including September 29, 2006, in which to file a Petition for Administrative Proceedings in the above-styled matter. As good cause for granting this request, Tarmac states the following:

1. On or about October 5, 2004, Tarmac America, Inc. received from the Department of Environmental Protection ("Department") an "Intent to Issue Title V Air Operation Permit Revision" and accompanying "Revised Draft Permit," (Draft Permit No.0250020-013-AV), for the Tarmac Pennsuco Cement Plant, located at 11000 NW 121 Way, Medley, Miami-Dade County, Florida.
2. Based on Tarmac's review, the Revised Draft Permit and associated documents contain several provisions that warrant clarification or corrections.
3. Tarmac and DEP are in the process of discussing possible resolutions to the issues needing clarification or correction.

4. Tarmac filed a Ninth Request for Enlargement of Time on January 20, 2006, extending the time until April 1, 2006; more time is needed to resolve the remaining issues. Moreover, Tarmac submitted an application to renew its Title V Permit in February, and presumably all of the issues can be combined and resolved as part of that process.

5. Accordingly, Tarmac hereby files this Tenth Request for Enlargement of Time until September 29, 2006, in order to resolve remaining issues before the Department.

6. This tenth request is filed simply as a protective measure to avoid waiver of Tarmac's right to challenge certain conditions contained in the Revised Draft Title V Permit. Grant of this request will not prejudice either party, but will further their mutual interest and hopefully avoid the need to file a Petition and proceed to a formal administrative hearing.

WHEREFORE, Tarmac America, Inc. respectfully requests that the time for filing of a Petition for Administrative Proceedings in regard to the Department's Intent to Issue Title V Air Operation Permit Revision No.0250020-013-AV be formally **extended to and including September 29, 2006.**

RESPECTFULLY SUBMITTED this 29th day of March, 2006.
