Al,

Did Jacksonville Lime do a public notice on the draft permit? I was under the impression that they wanted to clear up the rule applicability for the dust collectors before doing a public notice.

Lynn: Al forgot to include you in his earlier email for filing this extension request with the Jacksonville Lime documents.

Thanks,
Syed

Syed:

Jacksonville Lime has filed a request with OGC for a short extension of time to file petition.

The extension to run out before the end of the 30-day public comment period.

When we are contacted by OGC, we'll let them know to grant the extension.

Lynn. Please file this with Jacksonville Lime documents - 0310583-001-AC

Thank you.

Al Linero.

As a follow-up to our call yesterday, I submitted the extension request today to give us an opportunity to continue our discussions and finalize the draft permit. As I mentioned earlier, following my discussion with Tammy yesterday afternoon, I believe we're making good progress.

Please let me know if you have any questions. Thanks for your time and effort throughout the process.
